

TREASURY DEPARTMENT
FISCAL SERVICE
WASHINGTON 25

OFFICE OF
TREASURER OF THE UNITED STATES

IN REPLYING PLEASE QUOTE: CC-416 GC:lge

October 9, 1957

The following described check, about which you inquired, has not been paid and stoppage has been entered against its payment:

NAME OF PAYEE	AMOUNT	CHECK NO.	DATE	SYMBOL
Baird Atomic Incorporated	\$5,785.02	11,391,776	2/15/57	9000

Invoice No. 5125-3

You may apply for a substitute check by executing the enclosed form and forwarding it to:

Chief Disbursing Officer
Division of Disbursement
Treasury Department
Washington 25, D. C.

It is important that the instructions on the reverse of the form be observed closely, as failure to comply with them may delay the adjustment of your claim.

If you receive or recover the original check before you receive a substitute check, you should immediately request that stoppage against the check be removed. Your letter of request should be signed by you, personally, and should be forwarded to the address of the DRAWER, as shown on the check or on the envelope in which the check was mailed. Then, you should wait a few days before you cash the check so that the drawer may have sufficient time to have stoppage removed. By carefully observing these instructions you may prevent a possible further delay in the final adjustment of your claim.

If you receive or recover the original check after you receive a substitute, the original check must not be cashed, as payment thereon will be refused, but instead it must be forwarded immediately to the Division of Disbursement, Treasury Department, Washington 25, D. C. for cancellation.

Under no circumstances should both checks be cashed.

The form should be executed by an official of your corporation who has authority to

act for it in such matters and a specimen of his signature should be furnished the Treasurer of the United States, Check Claims Division, Washington 25, D. C.

Very truly yours,
TREASURER OF THE UNITED STATES

Baird Atomic Incorporated
